

## COURSE CALENDAR

### MoDOT Technician Certification Program

The calendar of available course dates and locations follows. This calendar is updated as new courses are added. If a specific course or location is not on the calendar please email Randy S. Morris at [morris3@mail.modot.state.mo.us](mailto:morris3@mail.modot.state.mo.us) for further information as to future availability.

The course calendar includes courses for re-certification and first time certification. Re-certification courses are only open to those applicants who have previously been certified in the course. To apply for a course the form in Figure 1 must be completed. This form is available by printing the online copy of Figure 1 or an electronic copy is available by emailing Randy Morris at the above address.

Courses offered in the calendar may be subject to cancellation due to low enrollment. A course will be cancelled no later than 10 calendar days prior to the start of the course.

Courses vary in length from 1 day to 5 days. The date the course starts is listed in the calendar. The course title has indicated the number of days. All classes start at 8:30 a.m. and end at 3:00 p.m. except for those taught at UMR and Linn State. Class times at UMR and Linn State vary and will be provided with other course details to be sent once accepted into the course.

You will be notified of acceptance into the courses. Acceptance will only be made once all required information is provided.

Status of courses is listed in the calendar. The following key indicates the status meaning.

**Open** – applications being accepted for this course.

**Full** – course is full, no applications accepted for this course.

**Pending** – course date and location not yet confirmed. No applications accepted for this course.

**Canceled** – Course canceled due to lack of enrollment or other factors.

**Completed** – Course was held.

## CANCELLATION POLICY

The charges for the training will be invoiced once your application is received and you have been accepted into the course(s) of your choice.

If you need to cancel, you must inform Linn State Technical College or University Missouri Rolla, 10 calendar days prior to the course date to receive full credit for the course fees. Any cancellations within 10 calendar days of the course will cause the course fees to be forfeited.

## MoDOT Technician Certification Course Calendar

(See the bottom of Calendar for Aggregate Specific Gravity Classes)

### Linn State Technical College (All non-MoDOT employees)

All classes require a minimum of 8 applicants to conduct. If a class has less than 8 applicants then the class may be canceled and the applicants for that class will be placed in the first class following that date. Cost at LSTC is \$200/day/person. **Classes begin at 9 am at the Automotive Technology building at LSTC.**

If you wish to apply directly to Linn State for these classes please go to their website:

<http://www.linnstate.edu/modot/application.asp>

Course Date	Course Name	Status
May 11	Profilograph	Open
